Qara קרא  
*Church of God Women in Ministry and Mission*

**Randee Doe** serves as Children & Family Pastor in Maricopa, Arizona. She is a graduate of Anderson University School of Theology. She loves to travel. Randee spent three years in Japan in the city of Kobe serving as a Special Assignment Missionary. She has also been very involved in inner city ministry, anti-trafficking efforts, and educating and empowering children in the community. Randee loves to hike, read, and eat Japanese food!

Some of you have seen the School of Theology Face Book Page sharing that I will become Dean on July 1, 2016. This appointment brings great change as you can image. One of the changes is the need to pass responsibility as Convener for Qara to another individual. Randee Doe is the clergywoman needed for this time. It has been my pleasure to serve Qara for the past several years, but I leave you in very capable hands. I

will be at various events so please take time to share with me what is happening in your ministries. If you have need of a teacher/preacher along the way, please contact me: mahawkins@anderson.edu. And of course, if you are looking for seminary education, Anderson University School of Theology is the place to be. May God's guidance and blessing mark the path you travel.
