

People to People

It's Happening!

You're doing it! God is working through you to change lives. To encourage new Christians. To help share the gospel with new people. To spread Hope around the world.

"I'm seventy years old and became a Christian just four years ago. Your program is helping teach me what it means to be a Christian. Thank you!"

"I'm just feeling depressed and unmotivated today. Like there's an attack on my soul. But I turned on the radio and was encouraged by your program. After calling in [to the twenty-four-hour phone line], now I feel like I can face my life again."

"I work at a radio station in Brazil, and I want you to know that we appreciate your high quality Spanish programs. Our listener base always increases when we air your programs."

"I used your [ViewPoint] programs from Sri Lanka last month to share about Christ with my friend who lives there. You've helped save his life."

These are a few of the stories we've heard in the past few months from listeners. For every one story we hear, we believe there are hundreds more stories of life change happening because of God working through CBH radio broadcasts. And we believe that he's calling us to sow more seeds, reach more people, than ever before, but we need your help to do it.

Hope 107.5

It's not a radio station but a way for you to become a channel of Hope for people all over the world. \$107.50 makes it possible for CBH to broadcast the Hope of Christ in nine languages around the world for three hours, and it allows lives to continue to be changed every day.

It's not much, really. It's \$9.00 every month. It's staying in for dinner with your family instead of going out a few times. It's that new jacket and shoes you don't really need. It's Hope for someone searching for God.

Get on board this year and know that the stories of life change in *People to People* are a result of God working through you! You can even give a little each month now. Just fill out the appropriate form on the back.

However you choose to be involved—whether through Hope107.5, our prayer team, traveling with us to install studios, or in some other way—thank you! In nine languages, five continents, and countless countries, you're changing the world.

Testimonies

CBH is changing lives around the country! We're working hard this year to expand the reach of our English broadcast, *ViewPoint*. Even now, we hear from listeners every week. Look in the May/June issue of *People to People* for details of our plan to reach more people here at home with the Hope of Christ, but for now, look at how we're already touching lives in the United States.

"I couldn't believe it when I heard the songs by Mahalia Jackson on your program last week! I called my mom and actually held the phone up to the radio so she could hear the singing from my childhood. Then when I heard the message tying Jesus to Jackson's story, I found myself crying and encouraged. Thank you!"

—Hartford, Connecticut

"Dear CBH, I give thanks to God for your radio program (KBNR in Brownsville, Texas) because the word of God has transformed my way of thinking. Now I recognize that there is only one true God who lives in heaven, and I only want to serve him! Thank you, CBH, for your efforts in reaching out to souls like mine! Now I am saved! Alleluia! Amen!"

Jim Lyon

Host,
CBH ViewPoint

Dear CBH Friends:

It has been my privilege to visit more than fifty countries in this world. I have stood in the shadow of the Eiffel Tower and on the Great Wall of China. I have watched the sunrise over the Taj Mahal and climbed to the feet of the famed statue of Christ the Redeemer, overlooking Rio de Janeiro. From the spectacle of the African savannah to the sweep of Alaska's wilderness, I have been moved by the grandeur of God's creation. But in the whole world, there really is nothing like a glimpse of Jerusalem from the Mount of Olives or the feel of a breeze sweeping up the hillside from the Sea of Galilee.

The Holy Land. It is a tiny plot of earth that has been the hinge of

history. And more. It is a tiny plot of land upon which Jesus himself, the very Word of God become flesh, walked. In person. The world still echoes with the sound of his voice. The Holy Land still carries the sense of his presence.

To stand in the Shepherd's Field outside of Bethlehem's gate on a cold winter's night, to explore the warren of streets and shops that hug the Temple Mount in the ancient walled city of Jerusalem, to actually stand on the top of Mt. Zion, to step into the River Jordan, to imagine blind Bartimaeus's call for help as you walk the streets of Jericho, to hear the reading of the Sermon on the Mount, while sitting in the still quiet of a field of lilies overlooking the Sea of Galilee, to discover the Capernaum house in which Peter once lived and in which Jesus healed his mother-in-law, to pause at the well in Nazareth as Mary once did when Gabriel appeared...

well, there is, quite simply, no place in the world like it.

Join us December 30, 2011–January 9, 2012, for an unforgettable journey through the Old and New Testaments as CBH leads you through the Holy Land. I am looking forward to returning to this land like no other once more—and I am looking forward to introducing it to you, our CBH friends, myself. It will be an adventure like no other. It will be an experience like no other.

Plan now. Pray now. Save now. And, oh yes, be sure to pack your Bible. You will see its stories come to life. In the Holy Land. January 2012. I hope to see you then.

Something Beautiful

BILL AND GLORIA GAITHER
2-CD SET

Gospel music legends Bill and Gloria Gaither are longtime friends of CBH and have written countless songs that help stretch our understanding of the character of God. This October, Gloria will be coming to the CBH Retreat to the Cove in Asheville, North Carolina, to share about her walk with God against the backdrop of an often busy and hectic life. As we prepare to hear from her this October, we've been listening to this two-CD set on repeat: *Something Beautiful*. It's a compilation of all new medleys from a half-century of songs written by Bill and Gloria Gaither. This CD contains more than sixty of the most popular Gaither-penned songs, including "Because He Lives," "The King Is

Coming," and "He Touched Me." For a donation of any amount, we'll send you a copy of *Something Beautiful* (SP64). And don't forget to sign up for the CBH Retreat to The Cove this fall to meet Gloria face to face!

Hope107.5 Team

We've had an exciting turnout from people around the country coming together to give \$107.50 to sponsor three hours of Hope. At right are a few of the people who have joined the team. It's not too late to get involved in changing the world together. Choose Hope—Give Today!
