

AFGHAN RESETTLEMENT PROGRAM PRAYER GUIDE

SO MANY STAKEHOLDERS. SO MANY WAYS TO PRAY.

BIG PICTURE Pray that God would prepare a way for each unique Afghan family currently on a U.S. military base to make their new home in a loving community.

AFGHAN REFUGEES Pray for healing in the heart, mind, and spirit of each refugee who has experienced significant trauma and loss. Pray that their hearts and minds would be open to receiving the love Jesus has for them, and that they would experience His love in new ways.

RESETTLEMENT AGENCIES Pray for wisdom for organizations and volunteers working hard to resource and connect Afghans with communities all across the country.

CHURCH LEADERS Pray that church leaders will have discernment and peace as they decide if their church will sponsor an Afghan family.

CHURCH MEMBERS Pray that the Holy Spirit would prepare the hearts and lives of church members to work together in unity and joy as they welcome an Afghan family.
